WHO ARE WE?

The organisation has successfully executed over two thousand local foreign-aid projects throughout the country across various departments and agencies, much to the delight of its clients. The company's current status in its sector of business did not emerge overnight.

Certainty, reliability, and quality are what our clients want, and we have almost 40 years of expertise in providing them.

Our company believes that a country's development depends on its infrastructural strength, which can be assured through quality services. MEBL is committed to maintaining a high level of professionalism and providing profound quality services in nation-building activities.

Our highly qualified and dedicated employees understand the challenges of contemporary construction, the parties involved, and how to collaborate to accomplish our clients' goals.

By now it has gained a high position in the construction industry with an enviable reputation because of its honest, sincere, reliable, and quality services in Buildings, Roads, Bridges/Culverts, Specialized RCC/Steel Structures, Jetty/Yard, Railways, Water Treatment Plant, Pipe Line, River Bank Protection, Embankment, Dyke, Dredging, Land Development, Landscaping & Interior Works etc.

MISSION

Maintaining leadership positions in the construction industry, we pursue our mission to provide high-quality general contracting and project management services throughout Bangladesh with the basic principle of developing a positive public image in the construction sector and also satisfying the needs and expectations of our clients and interested parties.

VISION

Our corporate vision is to maintain leadership in the construction business by delivering high-quality projects with exceptional client satisfaction and becoming passionate about quality services at competitive prices. As a leading voice in the construction industry, we are committed to remaining as trusted development partners of the government functional unit for achieving SDGs and strictly adhering to the values of ethical standards, dependability, and timeliness to complete the project.

AIMS & OBJECTIVES

Our aims & objectives are :

Implementing and maintaining our company standards to comply with ISO 9001:2015 requirements.

SAFETY is highly ensured for a safe environment for employees, contractors, subcontractors, the public and all related stake holders. Employees, implementation partners, subcontractors and clients are highly encouraged and monitored to adopt best practice for improvement of our performances.

Constantly monitoring, reviewing and developing our Business Management System and company procedures in order to achieve continual improvement, suitability and effectiveness.

Setting business objectives, as laid out in our Business Management System and monitoring the progress and achievements of those objectives.

Discussing quality issues regularly at the highest level of the company. Aiming to exceed Clients / Customers requirements.

We follow High standard HR & Admin policy for development & retention of highly motivated competent manpower to ensure continual growth and top notch client satisfaction.

A SHORT BRIEF OF THE MANAGING DIRECTOR

The founder & Managing Director of the company Mohammed Eunos is A-heroic Freedom Fighter of Bangladesh Liberation war 1971 F.F. ID No. 0204050065, he is awarded certification by General Ataul Goni Osmani as a Heroic Freedom Fighter of Sector-1 and also received a certificate from Ministry of Muktijuddho Affairs. He got a special honorarium of injured freedom fighters by a cheque signed by prime minister Bangabandhu Sheikh Mujibur Rahman in 1972 for courageous heroic front fighting with Pak-Hanadar Bahini. In between 1977-78, as a startup he formed a sole ownership firm named M/S Mohammed Eunos & Brothers and continued execution of construction projects of various government and local government bodies. To pursue the upward trend of the company, in 1980-1981, he further registered the company as a private limited company under the name MOHAMMED EUNUS & BROTHERS (PVT.) LTD.

At that time, when the company started, a highly educated and a visionary leader in the field of Construction contracting business like him was rare and the company earned good will under his active supervision. Moreover, under his dynamic leadership company became an esteem regular member of "Bangladesh Association of Construction Industry (BACI), completed all registration of the government agencies as Grade-1 & "Prime Contractor" with reputation and also has become a member of the Chittagong Chamber of Commerce & Industries, Chattogram.

The founder MD of the company Mohammed Eunos and his company is a top listed tax payer in the NBR list, he is a renowned social worker and first vice president of CHIRAYATA SHANTI SANGSTHA (CSS), an Islamic NGO. Once he was an active member of Chittagong Lions Club. The dawn of the new millennium brings a new challenge to the entire Asian region with a bright economic outlook. He sees more opportunities ahead of us as we enter this new millennium. His company is determined to continue as an important player in the construction industry. Along with the opportunities he sees challenges and competition that will continue the company's hard work in terms of effort, efficiency, and quality.

Mohammed Eunos
Founder & Managing Director
of
MOHAMMED EUNUS & BROTHERS (PVT.) LTD.

A SHORT BRIEF OF THE DEPUTY MANAGING DIRECTOR

The Deputy Managing director (DMD) of the company Engineer Mohammed Emran is a visionary young entrepreneur and he is actively involved in updating & monitoring world class engineering services. He acquired his post-graduation in "System Engineering and Engineering Management from world famous university i.e., "The Australian National University (ANU), Canberra, Australia. He is active member of IEEE (The institute of Electrical & Electronics Engineers) and also the member of IEB (The Institute of Engineers, Bangladesh) He is a Rotarian (RID: 3282) Past President Rotary Club of Chittagong Aristocrat. Asst. Governor (2022-23) & Deputy Governor Elect (2023-24). He is also GB & Standing Committee Member (2021-23) of Federation of Bangladesh Chambers of Commerce & Industries (FBCCI). Also member of Bangladesh Association of Construction Industry (BACI). Moreover, He is President of Bangladesh Human Rights Commission (BHRC), Chattogram Metropolitan South Branch. He strongly believes in sustainable growth and employment driven organisation. He always plays his crucial role in the organisational development in line with the mission, vision & values of the organisation. He also believes that in this age of technology, the era of digitalization & automation is required in all levels of operations. He has taken all initiatives for bringing 6(six) core values like sustainability, Quality, reliability, trust, leadership & Customer satisfaction in the organisational culture to execute its services to the valued clients of the company.
